Experience

- **Global Next Consulting India pvt ltd** August - October
  Full-stack Developer
  - Developed and enhanced full-stack web applications using React.js/Next.js and Node.js, including responsive UI components with Tailwind CSS to improve user experience.
  - Built RESTful APIs and integrated secure authentication, managing data with MySQL/MongoDB.
  - Implemented real-time features such as live chat and dynamic content updates to enhance user engagement.
  - Collaborated with team using GitHub, participated in weekly sprint reviews, and contributed to timely project delivery.

Education

- **Institute of Management Studies, Noida** 2025
  Master of Computer Applications
  8.1 CGPA
- **Institute of Management Studies, Ghaziabad** 2023
  Bachelor of Computer Applications
  7.5 CGPA

Skills

- **Frontend**: React.js, Next.js, JavaScript(ES6+), HTML5, CSS3, Tailwind CSS
- **Backend**: Node.js, Express.js, RESTful APIs
- **Database**: MongoDB, MySQL, PostgreSQL
- **Tools & Workflow**: Git, GitHub, VS Code, Postman, Render / Vercel

Projects

- **E-commerce - ShopEase**
  E-Commerce Web Application | React, Node.js, Express.js, PostgreSQL, JavaScript
  A scalable full-stack e-commerce platform that enables users to browse products, manage cart items, and securely complete purchases. The system implements authentication, role-based access control, order management, and optimized database queries to ensure performance and reliability. Designed following real-world production architecture patterns.
